

ZATTACK 2017 Nissan Z Car Show & Open Cruise-In

The Middle Tennessee Z Club and Nissan North America, Inc. are pleased to announce that ZATTACK 2017

will be held Friday and Saturday, April 21-22, in the Nashville area

For those who have not participated in previous ZATTACKs, we promise a fun-filled two days for Nissan fans and gear heads in general. This is a great opportunity to meet members of the Nissan and Z car enthusiast community and also take in the sights and sounds of Music City USA.

The events begin Friday afternoon, April 21 at 3 pm with a tour of the Nissan vehicle manufacturing facility in Smyrna, TN. This award-winning plant produces the Nissan Altima, Maxima, Pathfinder, Rogue, all-electric LEAF and the Infiniti QX60. Annual capacity is 640,000 units. Smyrna tours are limited to 50 people so please register early. Registration for ZATTACK 2017 is required.

Friday evening the Middle Tennessee Z Club will host a catered BBQ dinner and exclusive private tour at the Lane Motor Museum (<http://lanemotormuseum.org>) in Nashville from 6:30 – 9 pm. The Lane houses part of the Nissan Heritage Collection, most of which are not normally available for public viewing. In addition, the museum's eclectic collection of 150+ mainly European automobiles, motorcycles and oddities will entertain and amuse! Space is limited for this private event and registration for ZATTACK 2017 is required.

The ZATTACK 2017 People's Choice Car Show will be Saturday, April 22, in Franklin, TN at the Nissan Americas building, the U.S. corporate headquarters for Nissan North America from 8 am – 3 pm. All registered ZATTACK entrants receive a ballot to vote for the winners. Awards will be given to the top three places for all generations of Z cars in Stock, Modified and Ultra-Modified classes. Additional awards will be given for Diamond in the Rough and Best in Show.

A new OPEN class invites Datsun, Nissan and Infiniti vehicles of any year to compete for "Top Five" honors. Potential entries include Skylines, Datsun roadsters, G37 coupes, GT-Rs and of course Altimas and Maximas.

Nissan will also host a cruise-in which is open to the public for all vehicle makes and models. No registration or fee is required for cruise-in exhibitors and spectators. We expect a huge turnout for this and based on past events, the variety of cars will be fantastic! Nissan will also exhibit new models, prototypes, show cars and Nissan Heritage Collection vehicles.

Spectators are welcome. There is plenty of parking available. In the event of rain, the show will be moved to the parking garage.

The Nissan Americas building will be open to registered participants ONLY for morning coffee and lunch in the dining room at The Grill.

In order to give back to the community, the proceeds from designated raffle items will go to Lifehouse Animal Refuge and Rehabilitation based out of Mt Juliet, TN. Lifehouse is a small

organization that works very hard on rescuing, rehabilitating, and re-homing abandoned, abused, neglected, injured and stray animals. Donations of dog food and treats are welcome.

After Saturday's show, we will have a few hours of free time. That evening, those who wish to will meet at the Athletic Club Sports Bar and Grill at the Embassy Suites Hotel in Franklin for dinner and to meet up with friends old and new. The Grill offers moderately priced meals in a great atmosphere.
